

Letter of Recommendation

05/07/22

To Whom This May Concern:

My name is Natalie Brutto and proud to offer my recommendation of Amber Aristy to whom I have known personally and professionally for over five years. As my colleague, Amber was a supplier while I worked for United Distributors as a Craft Specialist.

During my relationship with Amber, I have experienced an individual who replies to communication outreach in a timely fashion and shows up on time for appointments, prepared. She works efficiently and creatively, carrying herself in a polite, respectable manner. Amber's passion for her work shines not only in her personality but work ethic, with strong relationships in the industry and flexibility with unexpected scenarios. I have participated in several appointments and events with Amber, her knowledge and artistic style are just two qualities that make her an exceptional candidate. It was an honor to work alongside such an experienced colleague with a beautiful nature.

Best,

Natalie A. Brutto , 5/7/22
